**Note 1:** All students in CP5502 Counselling Practicum 2 participate in the face to face module in January as well as weekly supervision with their TA throughout the semester. Students should be advised that, due to the exigencies of the delivery model we follow for Practicum 2, students are required to participate in the full week of the module component.

**Note 2:** Students are also required to participate in non-graded individual therapy, at their expense, with a department-approved outside counsellor of their choice

**Note 3:** BI7107 and NT/OT5320 are all the same class, but with different syllabi and assignments.
