

# Science Sessional Instructor Positions

## Department of Arts and Sciences

Providence University College invites applications for one of several part-time positions as a **Sessional Instructor** in the sciences, beginning September 2<sup>nd</sup> 2019. These positions are open for individuals with expertise in one or more of the following areas: Anatomy and Physiology, Biochemistry, Chemistry, Ecology, and Environmental Science. These positions are for 4-8 months during the 2019/2020 academic year, with the potential for renewal in future years. An ideal candidate will have a Masters or PhD in a related field, experience leading in both the classroom and laboratory, passion for student mentorship, and demonstrable independence and organizational skills.

Providence is a Christ-centered post-secondary institution that is striving to be among Canada's foremost Christian universities. Located 30 minutes south of Winnipeg in Otterburne (Manitoba, Canada), this institution encompasses a University College, Theological Seminary, and Mile Two Discipleship School. All interested applicants must be aware of and agree with Providence's Covenant of Community Life and Covenant of Faith.

Applicants are encouraged to send a single email including their cover letter (explaining their areas of scientific expertise and their schedule availability), CV, and scanned undergraduate and graduate transcripts to:

**Rebecca Dielschneider, Ph.D.**

Science Program Coordinator and Assistant Professor of Biology

Rebecca.dielschneider@prov.ca

Open until Thursday February 28<sup>th</sup> 2019. We appreciate all applications, but will only contact a select few for interviews.
