

PROVIDENCE

SCIENCE SESSIONAL INSTRUCTORS

Department of Arts and Sciences

Providence is a Christ-centered post-secondary institution that is striving to be among Canada's foremost Christian universities. Located 30 minutes south of Winnipeg in Otterburne (Manitoba, Canada), this institution encompasses a University College and a Theological Seminary. All interested applicants must affirm the Providence Statement of Faith and abide by the Providence Covenant of Community Life.

POSITION OVERVIEW

Providence University College invites applications for one of several part-time positions as a **Sessional Instructor** in the sciences, beginning September 1st (or possibly August 2nd) 2022. These positions are open for individuals with expertise in lecturing and/or instructing labs in one or more of the following areas:

Lecturer

- Anatomy and Physiology
- Biochemistry
- Chemistry
- Genetics

Lab Instructor

- Anatomy and Physiology
- Biology
- Biochemistry
- Chemistry
- Genetics

Position contracts are for eight months during the 2022/2023 academic year (September - April), with the potential for renewal in future years. Courses will be offered in-person (face-to-face), depending on the COVID-19 restrictions in place at that time. An ideal candidate will have a Master's or PhD in a related field, experience leading in the classroom and/or laboratory, passion for student mentorship, and demonstrable independence and organizational skills.

APPLY

Applicants are encouraged to send a single email including their cover letter (explaining their areas of scientific expertise, their schedule availability, and their commitment to the Providence [mission, vision, values, and covenants](#)) and CV to:

Rebecca Dielschneider, Ph.D.

Science Program Coordinator and Associate Professor of Biology
c/o Marlin Reimer, Human Resources Manager
Email: hr@prov.ca

We appreciate all applications. However, only those selected to proceed in the application process will be contacted for interviews.
