

PROVIDENCE

SCIENCE SESSIONAL INSTRUCTOR POSITIONS

Department of Natural and Social Sciences

Providence is a Christ-centered post-secondary institution that is striving to be among Canada's foremost Christian universities. Located 30 minutes south of Winnipeg in Otterburne (Manitoba, Canada), this institution encompasses a University College and a Theological Seminary.

POSITION OVERVIEW

Providence University College invites applications for one of several part-time in-person (not online) positions as a Sessional Instructor in the sciences, beginning Monday September 4th, 2023. These positions are open for individuals with expertise in one or more of the following areas:

- o Anatomy and Physiology
- o Introduction to Chemistry
- o Organic Chemistry

Positions are 4-8 months during the 2023/2024 academic year, with the potential for renewal in future years.

QUALIFICATIONS

An ideal candidate will have a Masters or PhD in a related field, experience leading in the classroom and/or laboratory, passion for student mentorship, and demonstrable independence and organizational skills. All interested applicants must affirm the Providence Covenant of Faith, uphold the Providence Covenant of Community Life and commit themselves to the Providence mission, vision and values: [Who We Are - Providence University College and Theological Seminary](#)

APPLY

Applicants are encouraged to send a single email including their cover letter (explaining their areas of scientific expertise and their schedule availability), CV, and scanned undergraduate and graduate transcripts to:

Rebecca Dielschneider, Ph.D.

Department Chair, Science Program Coordinator, and Associate Professor
c/o Marlin Reimer, Human Resources Manager HR@prov.ca

Open until Wednesday March 1st, 2023. We appreciate all applications but will only contact a select few for interviews.
