

PROVIDENCE

Early Bird Rate Policy: Providence Golf Classic

March 2024

As of 2024, the rates for the annual Providence Golf Classic are as follows:

- Alumni Registration Fee \$150
- Early Bird Registration Fee \$175 (until April 30)
- Regular Registration Fee \$225 (beginning May 1)

In order to qualify for the Early Bird Registration fee, a golfer **must both register and submit payment by the specified deadline.**

Communication of these details will be made in the invitation email, on the website, and most importantly, in any virtual or in-person interactions with golfers. In these cases, a reminder may be given that in order to qualify for the Early Bird Rate, \$175 must be received by Providence by the deadline.

If someone registers for the Golf Classic before the Early Bird deadline but submits payment afterwards, they will be charged the Regular Registration Fee.
