Business

For nearly a century, Providence has been a Christian academic community in the evangelical tradition that teaches people to grow in knowledge and character for leadership and service. Providence highly values community. This is evident in the ways our culturally diverse and active students and employees live and learn together. Providence infuses learning with Christian faith to form and equip students for a wide variety of vocations to participate in God's creative and redemptive work in the world.

The main Providence campus is located on the banks of the Rat River in the small town of Otterburne, Manitoba. This campus is located on the traditional lands of the Anishinaabeg, Cree, and Métis peoples. In addition, Providence operates a site in downtown Winnipeg with a variety of undergraduate and graduate offerings.
